About

Stuart House Studios provide bright, modern workspaces for small companies with big ideas, right in the heart of the city. The unrivalled amenities include The Hub café, a members only gym, showers, secure cycle store and private parking. There's also a bank of phone booths and dedicated Studio boardroom for you to use, perfect for client and team meetings. The work community is inspiring, innovative and we know you'll find SIH Studios to be your home away from home.
