## About

Surrounding Westminster Place are a range of shops, restaurants and even a gym, so there's no shortage of places to eat, drink and relax. If you don't fancy venturing too far, our onsite café – Essential Eating – has got you covered. It takes its role of fuelling our members seriously, with lots of breakfast and lunch choices, as well as teas, coffees and tasty treats, which can be enjoyed in your Studio or in our landscaped courtyard.
