About

Let Ready at ONYX is vibrant, diverse and full of some of the brightest and bravest business minds around.

Perfect for start-ups, scale-ups or for project space, our studios provide organisations the flexibility to grow and change as their business evolves. ONYX is wired for work with super fast broadband and WiFi, so you're good to go. With your own front door, private meeting rooms, plenty of break-out space and fitted kitchens, our workspace is designed to help innovative businesses get to work from day one.
